All monies received by the Board are paid by licensees, to cover the cost of regulation of the profession. According to the Governor's Budget Office, they intend to transfer monies out of the Board's fund balance at the end of FY 2009. The specific transfer amount is: \$150,000.

In addition, the Governor's Budget Office is making preparations to implement a suspension of some of the Board's currently appropriated monies, so that additional monies can be swept to the general fund. The amount being proposed amounts to the Board's entire, annual operating budget: \$18,312.
