7 **CONSENT AGREEMENT**

8 **RECITALS**

9 In the interest of a prompt and judicious settlement of the above-captioned matter before
10 the Arizona State Board of Respiratory Care Examiners (“Board”), and in the interest of
11 protecting the people of the State of Arizona, consistent with the statutory requirements and
12 responsibilities of the Board pursuant to A.R.S. § 32-3501, *et seq.* and A.R.S. § 41-1092.07
13 (F)(5), Jaime Daniel, RCP (“Respondent”), holder of license number 012505 to practice
14 respiratory care in the State of Arizona, and the Board enter into the following Consent
15 Agreement for Findings of Fact, Conclusions of Law, and Non-Disciplinary Order for
16 Continuing Education and Civil Penalty (“Consent Agreement”) as the final disposition of this
17 matter.

18 1. Respondent has the right to consult with an attorney prior to entering into this
19 Consent Agreement. Respondent has read and understands this Consent Agreement as set forth
20 herein, and has had the opportunity to discuss this Consent Agreement with an attorney or has
21 waived the opportunity. Respondent voluntarily enters into this Consent Agreement for the
22 purpose of avoiding the expense and uncertainty of an administrative hearing.

23 2. Respondent understands that he/she has a right to a public administrative hearing
24 concerning each and every allegation set forth in the above-captioned matter, at which time
25 Respondent could present evidence and cross-examine witnesses. By entering into this Consent
26 Agreement, Respondent freely and voluntarily relinquishes all rights to such an administrative

1 hearing, as well as all rights of rehearing, review, reconsideration, appeal, judicial review, or
2 any other administrative, and/or judicial action concerning the matters set forth herein.
3 Respondent affirmatively agrees that this Consent Agreement shall be irrevocable and any
4 modifications to this original document are ineffective and void unless mutually approved by
5 the parties in writing.

6 3. Respondent agrees that the Board may adopt this Consent Agreement or any part
7 of this agreement under A.R.S. §§ 32-3552 and 32-3553. Respondent understands that the
8 Board may consider this Consent Agreement or any part of it in any future disciplinary action
9 against him.

10 4. Respondent understands that this Consent Agreement does not constitute a
11 dismissal or resolution of other matters currently pending before the Board, *if any*, and does not
12 constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction
13 regarding any other pending or future investigation, action, or proceeding.

14 5. All admissions Respondent makes in this Consent Agreement are made solely
15 for the final disposition of case numbers 2019-RCE-0150, and any related administrative
16 proceedings or civil litigation involving the Board and Respondent. Respondent further
17 understands that acceptance of the Consent Agreement does not preclude any other agency,
18 subdivision, or officer of this state from instituting other civil or criminal proceedings with
19 respect to the conduct that is the subject of this Consent Agreement.

20 6. Respondent acknowledges that it is the Board's position that if this matter
21 proceeded to formal hearing, the Board could likely establish sufficient evidence to support a
22 conclusion that certain of Respondent's conduct constituted unprofessional conduct under
23 A.R.S. § 32-3552 and A.A.C. R4-45-214. Therefore, Respondent has agreed to enter into this
24 Consent Agreement as an economical and practical means of resolving the issues associated
25 with the Board's investigation.

26 7. The Consent Agreement shall be subject to approval by the Board and shall be

1 effective only when signed by the Executive Director and accepted by the Board. In the event
2 that the Board does not approve this Consent Agreement, it is withdrawn and shall be of no
3 evidentiary value and shall not be relied upon nor introduced in any action by any party. The
4 parties agree that if the Board rejects this Consent Agreement and this case proceeds to hearing,
5 Respondent shall assert no claim that the Board was prejudiced by its review and discussion of
6 this document or any other records relating thereto.

7 8. Respondent understands that this Consent Agreement is a public record that may
8 be publicly disseminated as a formal action of the Board.

9 9. Respondent understands that any violation of this Consent Agreement could be
10 grounds for further disciplinary action by the Board pursuant to A.A.C. R4-45-214(3).
